## THE ULTIMATE GIN & TONIC

Because life may not always hand you lemons for your Gin & Tonic! Experience the ultimate Gin & Tonic served at Musafer. **Interesting fact:** Tonic water was created by adding the medicine "Quinine" to soda water for a "Malaria Cure" in the early 19th century during British rule in India. Gin was imported from England and was rationed for the British in the army. To make the compulsory Quinine dose bearable, they started adding Gin to it. Thus, came into existence the famous Gin & Tonic by mixing Gin, Citrus, Sugar, Soda and Quinine, a drink that would become a worldwide trend. The drink not only tasted delicious but also helped them cure malaria, a true win-win situation!

We at Musafer, are giving an indigenous ethnic touch to the experience in the quest of Incredible India.

Here's our top pick of Gins being produced today which are served with a slice, twist, herb or spice that will make the spirit shine.
